

ICAR-CRIJAF inked Technology License Agreement (TLA) with M/s Creative Displayers, Barrackpore, Kolkata for Commercialization of Ramie & Sisal Fibre Extractor

ICAR-Central Research Institute for Jute & Allied Fibres (CRIJAF), Barrackpore inked Technology License Agreement (TLA) with M/s Creative Displayers, Barrackpore, Kolkata, West Bengal on 13.12.2024 for non-exclusive license to manufacture, marketing and sale of Ramie & Sisal Fibre Extractor, a product/technology developed by ICAR-CRIJAF for next five years. The Memorandum of Agreement was signed by Dr. Gouranga Kar, Director, ICAR- CRIJAF, Barrackpore and Mr. Sanjib Biswas, Managing Partner, M/s Creative Displayers, Barrackpore, Kolkata, West Bengal.

Dr. Gouranga Kar, Director, ICAR-CRIJAF highlighted the significance of advanced farm machineries for improved cultivation practices of ramie and sisal fibre crops for sustainability and higher income by resource poor farmers. The programme was organized by the Institute Technology Management Unit (ITMU), ICAR-CRIJAF, Barrackpore.
