

**ICAR-CRIJAF, Barrackpore organized Kisan Sangosthi under SCSP on
17.11.2023**

ICAR-CRIJAF, Barrackpore organized a Kisan Sangosthi under SCSP on 17.11.2023. There were 150 farmers from Belle Shankarpur, Taraberia and Beraberia villages of North 24 Parganas who participated in this programme. Prof. S. K. Datta, Former DDG (Crop Science), ICAR & RAC Chairman, ICAR-CRIJAF was the chief guest of this programme. Other esteemed RAC members like Dr. P. K. Mahapatra and Dr. D. Nag were also present in this programme. In his welcome address, Dr. Gouranga Kar, Hon'ble Director, ICAR-CRIJAF briefed about the various extension activities of the institute for transfer of modern agricultural technologies to the farmers. He motivated the farmers to produce as per market demand and consumer preference to get more profit. He also put emphasis on off-farm income generation through value addition in jute. Both the RAC members encouraged the farmers for adoption of modern farm technologies and scientific farming. A farmer-scientist interaction was also conducted. During the interaction farmers gave their feedback about CRIJAF technologies as well as express their various need for agriculture. Five progressive farmers were felicitated on this occasion. In his concluding remark, Prof. Datta, the Hon'ble Chairman, said the farmers to adopt modern farming practices and innovative models of farming for income enhancement and socio-economic upliftment.
